

# Your Little Night Shift

A cosy bedtime activity pack

★ Colour a little. Dream a little. Snuggle a little. ★

# Ready for your little night shift?

Follow the trail. Colour a star at each cosy stop.

1

**Brush those little moonbeams!**

Teeth brushed and ready.

2

**Night-shift uniform on!**

Find your cosiest pyjamas.

3

**Choose your sleepy sidekick.**

Teddy, bunny... who's coming?

4

**Open tonight's adventure.**

Pick a story to share.

5

**A happy thought for the stars.**

Tell your grown-up something lovely.

6

**Clocking off. Cuddling in.**

A goodnight cuddle. Time to rest.

Take the trail your own way. There's no need to rush.

# The Yawn Collector's Missing Yawns

Oh! A few little yawns have floated into this picture.  
Find and circle them, then colour the cosy scene.

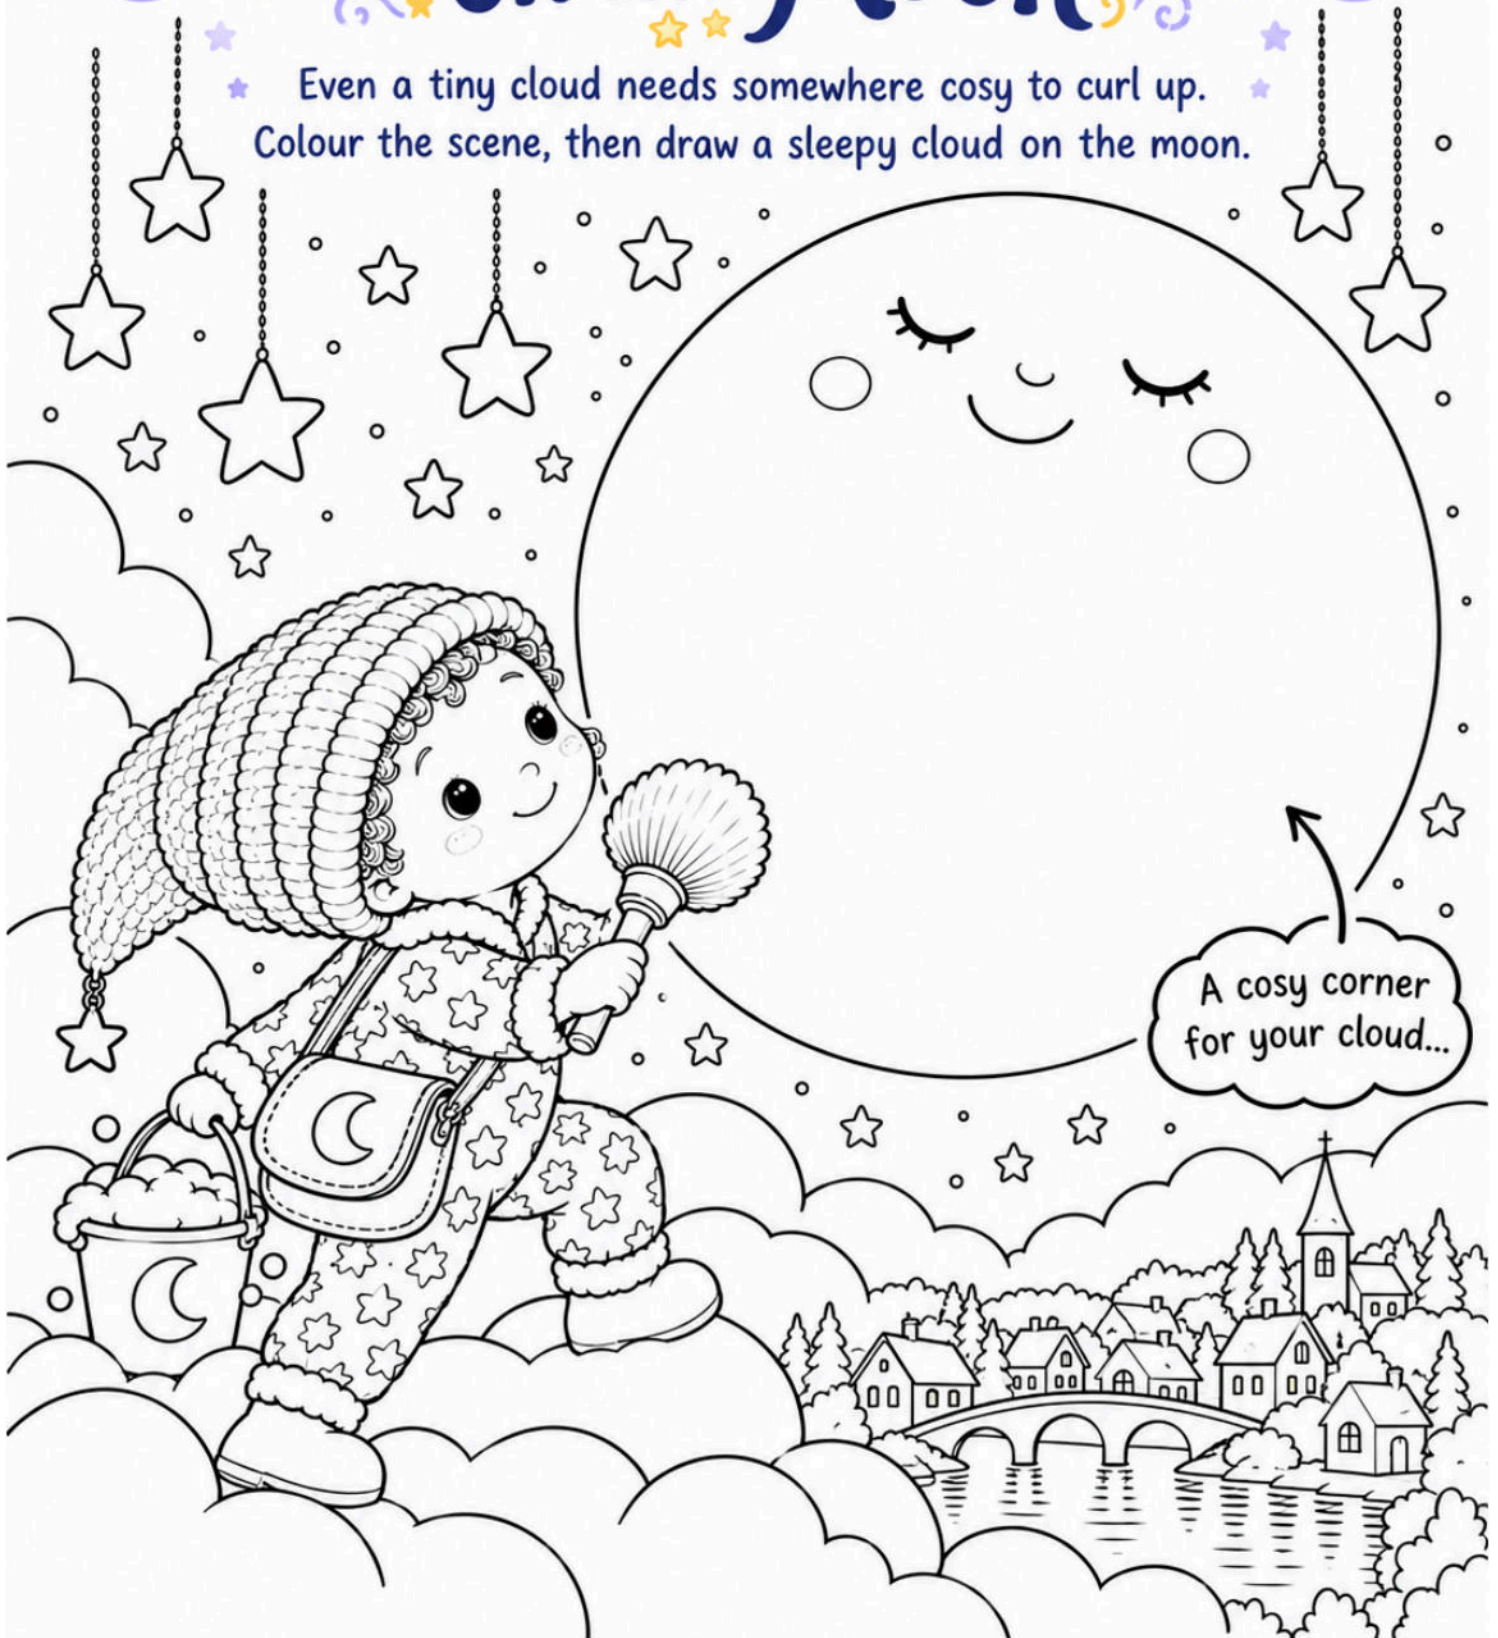

Draw one more little yaaawn  
in the jar.

# Leave a Little Room on the Moon

★ Even a tiny cloud needs somewhere cosy to curl up.  
★ Colour the scene, then draw a sleepy cloud on the moon.

# A Dream for Tonight

If you could tiptoe into a dream, where would you go?  
Draw your own little night-time adventure.

Who's coming?

Where will you go?

What might you find?

My dream is called...

.....

# A cosy sign for your door

Add your name and colour your sign.  
Ask a grown-up to help with the cutting.

## Little Dreamer Off Duty

Tonight's little dreamer:

Please tiptoe. A little dream is growing.

Grown-ups: cut around the dotted line and help hang it on the door.

# Save a Little Story Magic

Two little helpers to keep your place.

One for you. One to share.

Grown-ups: cut around the dotted lines.  
Print on suitable card for sturdier little bookmarks.

# Goodnight, little helper.

The stars are twinkling.  
The town is tucked in.  
And you? You've brought a little  
more wonder to bedtime.

Come back whenever you fancy  
another little night shift.

## A little note for grown-ups

Choose a page or two and enjoy them together.  
There's no need to finish everything tonight.  
A little colouring, a shared story  
and a lovely cuddle are plenty.

Meet the little helpers in  
The Yawn Collector and The Moon Polisher.
